

Napa County

Napa County's population increase between 2000 and 2004 was due primarily to domestic migration into the county.

The county's median rent for a 2-bedroom apartment is 30% higher than the state median and the median income for a family with children under 18 (\$57,314) is 17% higher than the state (\$48,836).¹

The percentage of children living in poverty in Napa County is the 12th lowest in the state.

Professional jobs account for 35% of employment; sales and office occupations, 24%; and service occupations, 18%.¹

The percentage of women in sales and office occupations is more than twice as high as men in those occupations (34% vs. 15%); the percentage of men in construction, production, and related activities is more than 5 times higher than women in those occupations (33% vs. 6%).¹

1. U.S. Census Bureau, 2000.

2. California Department of Finance population projections.

3. This number reflects children with either two parents or a single head of household in the labor force.

4. Network estimate based on California Department of Finance (DOF) population projections.

5. U.S. Census Bureau, 1990.

6. Estimate using commute time. Might or might not include weekends.

Child Care in Napa County

		Child Care Centers	Family Child Care Homes ¹
Facilities	Total number of sites	61	119
	Total number of slots (percent)	2,866 (71%)	1,158 (29%)
	Infant slots in centers	164 (6%)	
	Preschool slots in centers	2,017 (70%)	
	School-age slots in centers	685 (24%)	
Schedules ²	Full-time and part-time slots	82%	84%
	Only full-time slots	4%	12%
	Only part-time slots	15%	4%
	Care available during non-traditional hours	2%	29%
Languages	English	100%	96%
	Spanish	57%	26%
	Other	18%	12%

1. A breakdown of slots by age is not available for family child care homes because their licenses are not specific to particular age groups.
2. Full-time (30 or more hours/week) and part-time are a % of total slots. Non-traditional (evenings, weekends, overnight) are a % of total sites.
3. Network estimate based on CA DOF Projections, 2004: either two parents or single head of household in labor force.
4. These types of care are not included in the supply of licensed care available.
5. Some parents find child care without using R&Rs. These requests do not necessarily represent total demand, but they do reflect trends.
6. U.S. HUD. Median rent for a 2-bedroom unit. 2004.
7. Cost estimates 2004/5; 2002 Regional Market Rates with CPI Inflation Factor. Full-time.
8. California Dept. of Education. 2003/4.

Availability of Licensed Child Care

In Napa County, there are an estimated 13,631 children ages 0-13 with parents in the labor force³ and 4,024 licensed child care slots.

Licensed child care is available for 30% of children with parents in the labor force.*

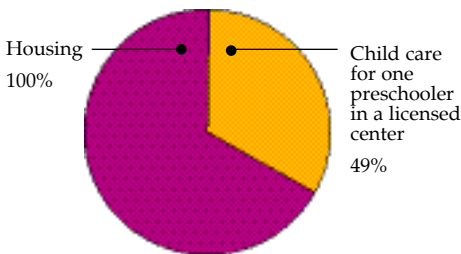

* Some families choose friends and relatives (license-exempt caregivers) to care for their children, and programs for school age children are often not licensed by the state.⁴

Parent Requests to the R&R⁵

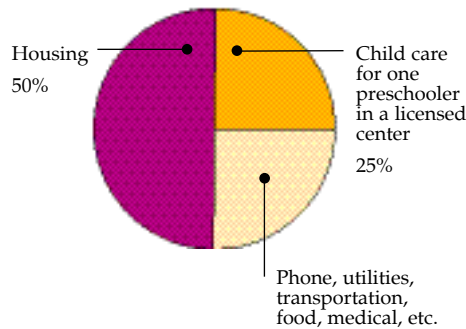

- Type of care requested: 43% infant/toddler; 41% preschool; 16% school-age
- Schedule requested: 63% full-time (0-5 years); 37% part time (0-5 years)
- Reasons for needing care: 63% employment; 8% school/training; 10% looking for work
